Phillip A. Crotty, Esq.
Attorney for Town of New Windsor
Town Hall, 555 Union Avenue
New Windsor, New York 12553

Dear Phil:

Re: Our File #08854-48958

The Department of the Navy ("DON") plans to take the Stewart Terrace military housing project to the United States Congress for final approval in a few weeks. The DON is requiring a letter from the Town of New Windsor stating that the site is zoned for its intended use, that GMH has satisfied the Zoning Board of Appeals requirements, that GMH is finalizing the site plan details with the Planning Board and that upon providing the Town Engineer with satisfactory site plans GMH will receive approval for the project.

Enclosed is a draft letter which I have prepared for your review. I will be away from my office until November 11, 2002, but if you e-mail or fax me your changes I will finalize the letter for your signature.

Thank you for your continued courtesies in this matter.

Very truly yours,

JAMES R. LOEB
